Integrated Credit Card Processing for OSAS

Get low rates & superior support!

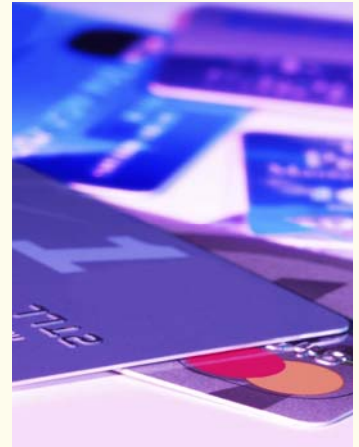

The world of payment processing can be confusing – especially when you’re trying to run a business! That’s why Payment Processing, Inc. (PPI) and Response Computer Group Inc. (RCG) joined forces to offer a fast, efficient and affordable integrated payment processing solution for OSAS users.

While others offer piecemeal services, **only** PPI/RCG gives you one resource for everything you need:

- competitively priced merchant account services
- superior integrated payment technology
- unwavering technical and administrative support.

From set-up through on-going operation and troubleshooting – we simplify the process of accepting card payments so your business operates more efficiently and more profitably.

Get the optimal integrated payment processing package for OSAS!

The Best Solution.

- **Seamless integrated credit card processing** – Includes interface for Sales Order payment entry and cash receipt processing as well as AVS & CVV2 processing.
- **Configuration, testing, and training** – Our experts get you up and running quickly & smoothly. Save time... save money... and guarantee usability!
- **Superior Troubleshooting Expertise** – Unlimited in-house 24/7/365 technical support for both software and transaction issues. No more ‘bouncing’ between vendors.
- **Competitive pricing for merchant services** saves you money on initial set-up & frequently beats bank processing costs.

The Best Deal.

With your RCG Software purchase, you receive:

- **FREE** transaction processing software and card reader (a \$640 value!)
- **FREE** technical & administrative support for the life of your PPI merchant account. Get support beyond traditional standards!
- **NO FEES** for application processing or merchant account set-up

Current RCG customers with credit card processing
Receive **\$100** if we can’t save you money on your processing fees*
